### Notice of Temporary Closure of Certain Hotels and Other Facilities as COVID-19 Countermeasure

Resorttrust, Inc. has decided to temporarily close certain facilities in light of the Japanese government's issuance of the declaration of a state of emergency on April 7 in accordance with the Act on Special Measures for Novel Coronavirus Disease (COVID-19) Preparedness and Response. This decision was made, taking into consideration the health and safety of our customers, employees, residents of the communities in which we operate, and business partners, which are our highest priority.

The facilities to be temporarily closed and the duration of the closure are as shown in the table below. Please note that the duration and any other factors are subject to change depending on the situation concerning COVID-19.

We will be contacting customers who already have reservations at the facilities that are to be temporarily closed. We apologize for the inconvenience and request our customers' cooperation and understanding.

The impact of this measure on financial results will be reflected in the financial results forecast that will be announced in due course.
